

SUTURE BOOTIES

Designed to protect and safely hold sutures without any damage. Packed in pairs (2, 3, or 5 pairs) in a foam base with adhesive backing for universal placement. Convenient 'corner-peel' design helps with removing paper backing to expose adhesive for placement.

- Sterile, ready-to-use
- Packaged in 2, 3, or 5 pairs
- Convenient adhesive backing
- Non-toxic and free from natural rubber latex
- Radiopaque
