

ONE-LOOP TAGS

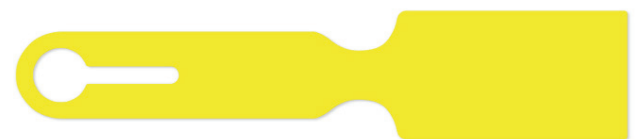

Key Surgical® One-Loop Tags are designed to facilitate communication/identification in your department whether it be through a color-coding system you've established or barcode placement needs (or both). Getting the job done with a one-piece, colorful tag couldn't be easier.

- Convenient one-piece tag that loops around itself and can be used for color-coding and/or barcode placement
- Suitable for use during washing and disinfecting of instruments or trays
- For sterilization compatibility please refer to IFU
