

ONE-LOOP TAGS

They say that “one is the loneliest number” but when it comes to efficiency in sterile processing, “one” can be the greatest number. Introducing Key Surgical One-Loop Tags; designed to facilitate communication about sterile or contaminated instrument trays. This one-piece, colorful tag will help you get the job done so you can move on to the next task.

ABOUT:

- Easy-to-use, single loop tag
- 9.25" x 2" (in 7 colors)
- 8" x 4.25" (available in white only)
- Resistant to washing and disinfection
- Sterilizable
- Not made with natural rubber latex
- 250/pkg
